Innovative Ideas Generation

This course will provide tools to students about creation and modeling of innovative businesses.

The student will be able to:

- Understand the entrepreneurial profile
- Develop creative potential
- Generate creative business ideas
- Model new business
- Learn and practice “Elevators Speech” (“Pitch”) model for investors

“ it is, indeed, a great opportunity for the students who want to initiate their international experiences ”

Daniela Vargas - Perú
Universidad Nacional Mayor de San Marcos

Check out the requirements

Every year we welcome students from all over the world. You can become part of our international student community if you are:

- at least 18 years old
- enrolled in Undergraduation or Graduation degree
- proficient in the English language

PS: Cooperation agreement between your institution and Centro Paula Souza is preferable but not required.
